

Awatea Tasman Bay

Amazing Views, Boutique Accommodation

Driving Directions from Motueka (A) to Awatea Tasman Bay (B)

From High Street in Motueka, head north on State Highway 60 toward Abel Tasman National Park / Kaiteriteri, cross over the Motueka River (a long narrow two-lane bridge) and continue on toward Kaiteriteri.

At Packing Shed corner (which is the next sharp right hand turn on State Highway 60 before Riwaka) continue straight onto Umukuri Road. (If you miss this and continue right on SH 60 you will head into the town called Riwaka and see a Challenge petrol / gas station on your right - you've gone too far so turn back!)

Follow Umukuri Road and turn left at the T intersection (Little Sydney Road is to your right), then turn right at the next T intersection (at the Brooklyn school on your right) onto Old Mill Road.

Follow Old Mill Road (for approximately 400 metres) and turn left onto Motueka River West Bank Road (the first left after the Brooklyn school) and travel approximately 2 km to Awatea Tasman Bay's entrance on the right-hand side.

Drive time is about 10 minutes, 9 km.
